

Digital Vehicle Access

**The flinkey App
enables mobile
devices to become
vehicle keys**

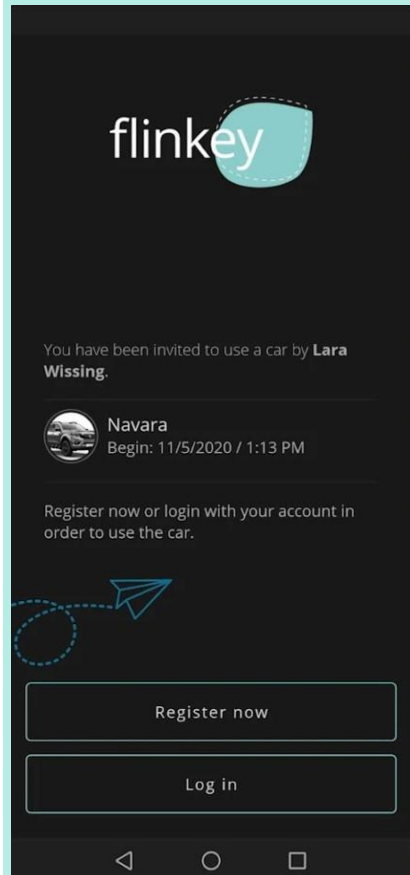

Basic App Use

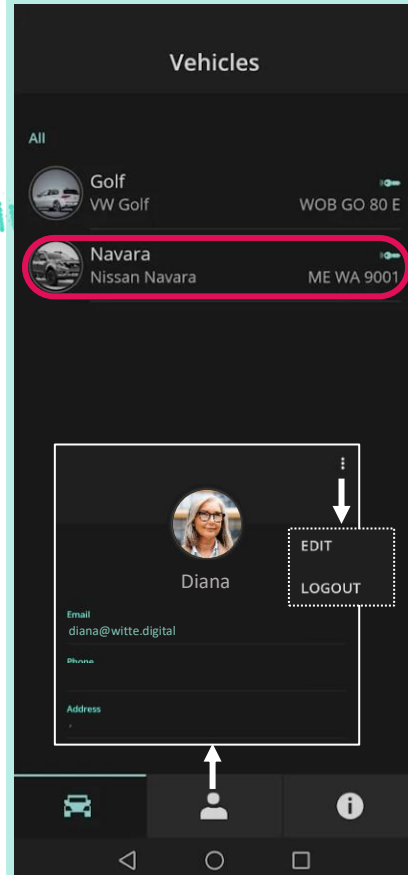

Note: Bluetooth must be enabled!

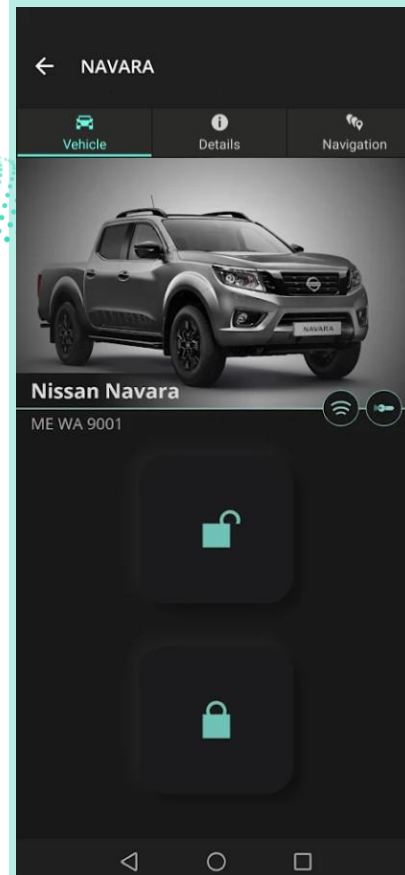

Download App from Link in Email notification*

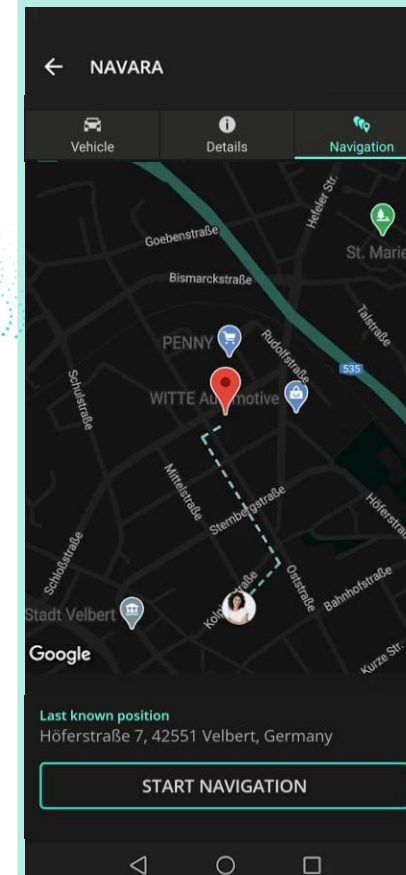

Select one of the vehicles you were assigned to

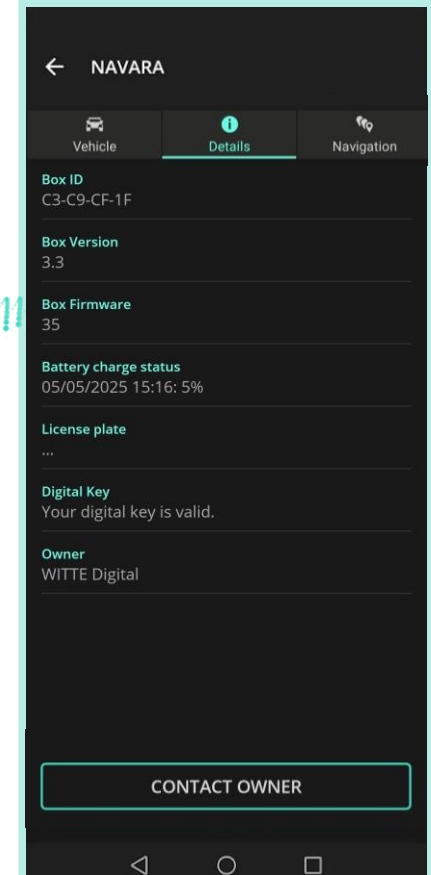

Icons are active (= green) → UNLOCK & LOCK

Icons are inactive (= grey) → LOCATE on Navigation

Once in a while, check Details → BATTERY

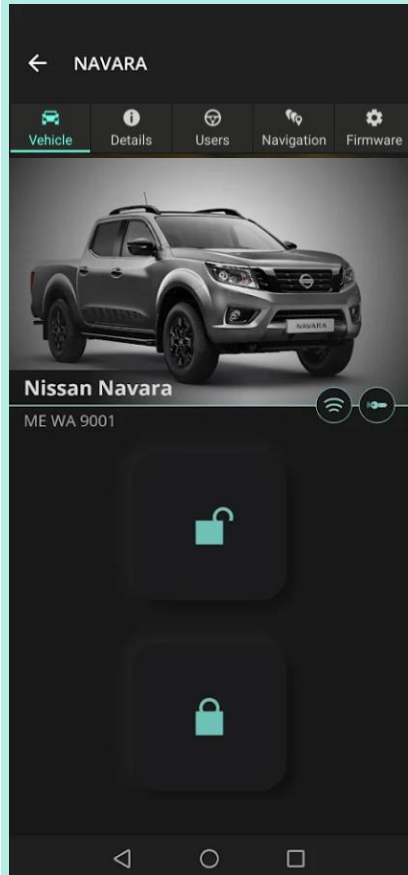

*Go to [Apple](#) or [Google Play Store](#) to download and install the flinkey App

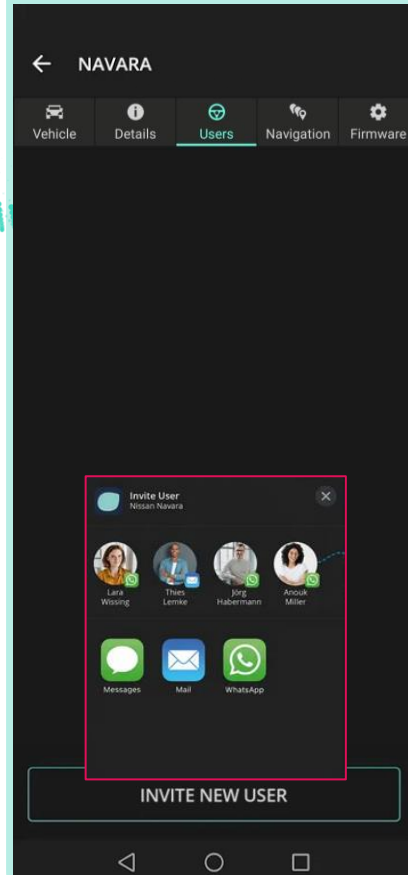

Extended App Use / Options

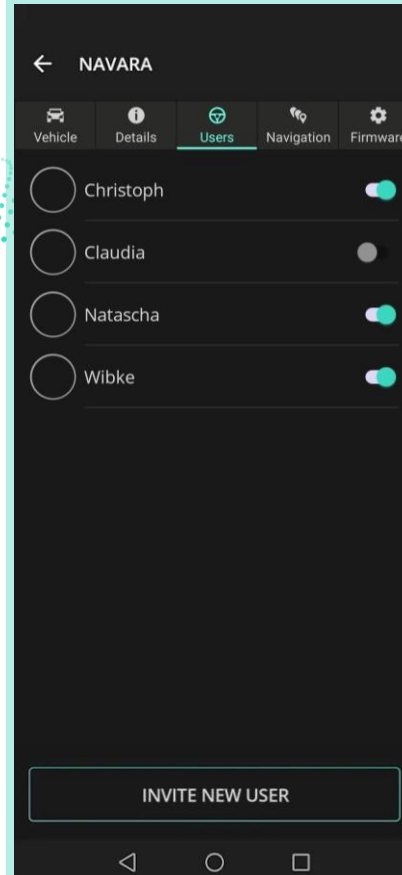

**Additional features*
→ USERS & FIRMWARE**

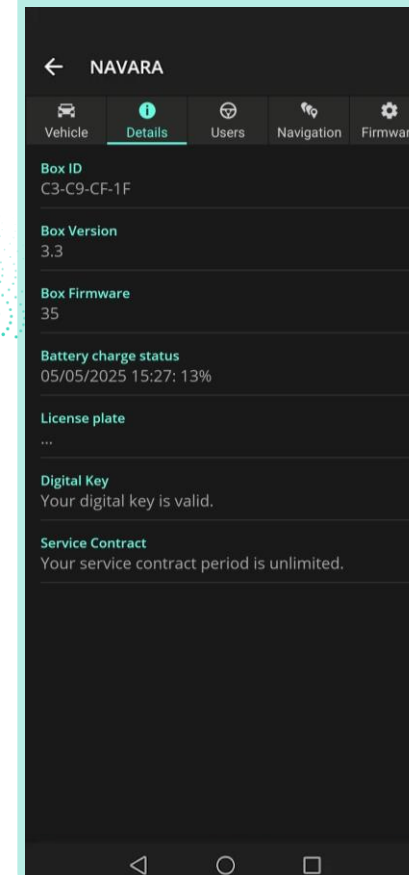

**CAR OWNERS can invite
new USERS from the App**

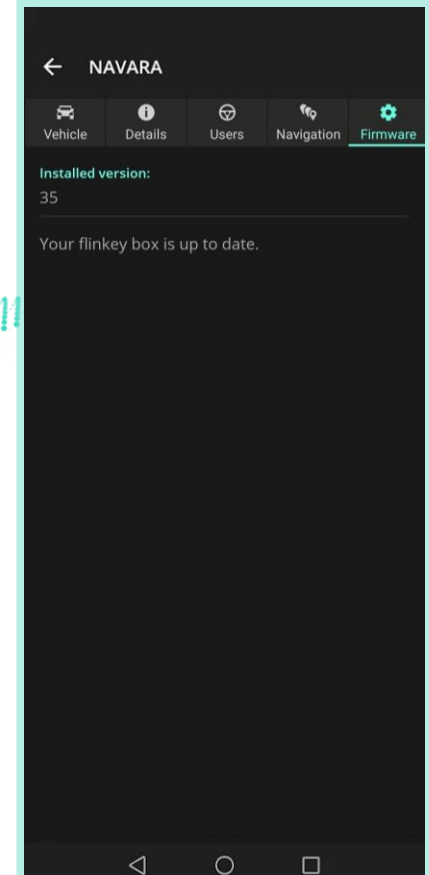

**CAR OWNERS can assign
or disable their USERS**

**CAR OWNERS see
DETAILS of the contract**

CAR OWNERS may
install available UPDATES**

*Role "Car Owner" & "Portal Manager" need to be assigned by an existing Administrator in the flinkey Portal

**Optionally it is possible to allow the execution of firmware updates for all drivers
